Prepare to be captivated by the splendor of this magnificent Modern Craftsman masterpiece nestled in Vienna. Boasting a grand 4-car garage and sprawling across a lavishly spacious private half-acre lot, this residence offers the epitome of luxury living, with ample room for a pool, thoughtfully designed with pool renderings from the renowned Lewis Aquatech, to further enhance the opulence.

Spanning an impressive 5,814 square feet on the main and upper levels alone, and a total of 8,521 square feet adorned with meticulously crafted finishes, this home is the epitome of refinement and sophistication.

Step through the threshold and be greeted by the inviting expanse of the main level, featuring a luxurious bedroom suite, a charming breakfast room, an elevator shaft for added convenience, and a secondary kitchen. The family room opens up to a covered flagstone patio, perfect for seamless indoor-outdoor living. Ascend to the upper level to discover three luminous and generously proportioned bedrooms, each accompanied by a spacious walk-in closet and luxurious full bath. The primary
